The Honorable Donald John Trump
In capacity as Commander-in-Chief
c/o OFFICE OF THE DIRECTOR OF NATIONAL INTELLIGENCE
Attention: **John Ratcliffe - Director of National Intelligence**
Washington, District of Columbia 20511

**Notice of numerous ongoing RICO Enterprises by the live agents of the "STATE BAR of CALIFORNIA"
in collusion with live agents of the municipal corporation styled as: "STATE of CALIFORNIA"
requiring Federal intervention pursuant to 10 U.S.C. Section 2531**

Dear Director Ratcliffe,

I am writing to you with the intent that you will relay the information to President Trump, in his capacity as Commander-in-Chief. As President Trump functions in his dual capacities, based on his inherent constitutional duties as ex officio President of "[be United States of America (per Articles of Confederation, Clause I] that are specified in the de jure organic Constitution of the United States of America (as lawfully amended March 12, A. D. 1819) (which included just thirteen lawfully ratified Articles of amendment.

- See certified Colorado Archive Documents¹, which is one of four foundational organic laws of The United States of America.

The aforesaid Constitution, and the general laws Authorized thereunder, in turn grant Congress the authority for the creation of the de facto UNITED STATES® Corporation [sec: 28 U.S.C. Sec. 3002(15)(A) and Calif. Commercial Code, Sec. 9307(h)] and the corporate 'OFFICE OF THE PRESIDENT created by its corporate bylaws, which is currently occupied by the President and C.E.O. of said corporation, Donald John Trump.

President Trump has accurately and rightly labeled the CIA controlled (Mockingbird) Mainstream Media (MSM) as - Fake news. **I have now confirmed that you and President Trump have become familiar with the terms Fake Courts, Fake Laws, Fake Medicine & Fake Government** and that it is indisputable material Fact that every branch and every level of federal, state, county and city government have been infiltrated nationwide by constitutionally banned, foreign BAR agents [see: de jure Thirteenth Amendment, ratified March 12, A.D. 1819].

¹ 10 U.S.C. Sec. 153. Interference with State and Federal Law

The President, by using the militia, or the armed forces, or both, or by any other means, shall take such measures as he considers necessary to suppress, in a state any insurrection, domestic violence, unlawful combination, or conspiracy, if it -

(1) so hinders the execution of the laws of that State, and of the United States within that State, that any part or class of its people, is deprived of a right, privilege, immunity, or protection named in the Constitution and secured by law, and the constituted authorities of that State are unable, fail, or refuse to protect that right, privilege, immunity, or to give that protection; or

(2) opposes or obstructs the execution of the laws of the United States or impedes the course of justice under those laws.

**MANDATE TO: THE PRESIDENT OF THE UNITED STATES OF AMERICA:
NATURAL CITIZENS OF THE U.S.A. CALL IN THEIR IMMEDIATE RIGHT TO AFFECT -
THE REMOVAL OF CORRUPT GOVERNMENT OFFICIALS & ENTIRE REPLACEMENT THEREWITH
Notice to Principal is Notice to Agent - Notice to Agent is Notice to Principal,
Applicable to all Successors, Assigns, and Agents, and
Silence, when there is a moral or legal Duty to respond, constitutes Agreement**

The "STATE BAR OF CALIFORNIA" and the State Bar Associations in every state, are exclusively comprised of constitutionally banned, foreign agents, who have knowingly and corruptly created "fake courts", which are actually private, for-profit, foreign franchises, each with its own DUNS Number. The BAR attorney so-called "JUDGES" of the "SUPREME COURT OF CALIFORNIA" first allowed communists and communist sympathizers (i.e. liberal democrats), to infiltrate both the ranks of state public employees, as well as, the state public school system [see e.g., Vogel v. County of Los Angeles, 68 Cal. 2d 18 (1967); cf. Steiner v. Darby, 88 Cal. App. 2d 481 (1948) and Cal. Gov. Code 1027.5]

The Oath in the current **California Constitution, Article XX, Section 3 is required** to be taken by every government officer and employee (from Governor Newsom down to a city dogcatcher) before they can enter the duties of their respective offices. Not one state, county or city officer or employee has taken and subscribed the Oath mandated at Article XX, Sec 3; nor, have they complied with the common law [Civil Code, Sec 22.2] or statutory requirement [government Code, Sections 1450-1653] to file a fidelity/performance bond before assuming the duties of their respective offices. Therefore, by operation of law, every act or action that any actor commits, claiming to be a de jure state, county or city government officer or employee, is being done under **color of law** [18 U.S.C. 242], **color of office and color of authority**. Anyone who is in violation of the fundamental organic Law of the state has **no authority** whatsoever to enact, enforce or adjudicate any state statutory law, rule (i.e. so-called "Executive Order") or municipal code.

The American People living in every State [not including the district of Columbia], including but not limited to California, are entitled by the supreme Law of the Land, to a "**Republican Form of Government**" ["The United States **shall guarantee to every State** in this Union a Republican Form of Government, and shall protect each of them against Invasion; and on Application of the Legislature, or of the Executive (when the Legislature cannot be convened) against domestic violence." Constitution of the United States, Article IV, Section 4]. The current Form of Government in California (and all other United States of America) clearly **is not a Republican Form of Government**, but rather is a private, for-profit, **foreign corporate municipal democracy**, organized in California in A.D. 1879, controlled and operated exclusively by constitutionally banned agents of the BAR.

Under this MANDATE, on behalf of myself and other citizens and groups of citizens, having all given public testimony already against **BAD FOREIGN AND DOMESTIC ACTORS**, as outlined above and below, where such **BAD FOREIGN AND DOMESTIC ACTORS** have been committing already their own extensive well-documented acts of TREASON against the CITIZENS OF THE STATE OF CALIFORNIA, and THE UNITED STATES OF AMERICA, WE THE PEOPLE REQUIRE YOUR IMMEDIATE ACTION AGAINST SAME **BAD FOREIGN AND DOMESTIC ACTORS of ARREST AND CRIMINAL PROCESSING TO THE FULLEST EXTENT OF YOUR POWER AND AUTHORITY**.

We respectfully also request that you and President Trump total up how many individuals with current or past BAR membership were involved in framing **Lt. General Michael Flynn**, including so-called federal judges. How many were involved in the Kavanaugh confirmation hearing **ACTS OF TREASON**, both Republican and Democrat? How many were involved in the **ACTS OF TREASON** House impeachment Con Job at the great expense to taxpayers? How many BAR attorneys are members of the House and Senate? How many liberal democrat (communist) BAR attorneys have filed numerous **ACTS OF TREASON "COMPLAINTS"** in various federal district courts to be adjudicated by their liberal democrat (communist) BAR **TREASONORS**, i.e. so-called federal judges, committing **ACTS OF TREASON & Lawfare 2**

2 Lawfare is a form of a Mixed War consisting of the use of the legal (i.e. courts) system by live agents of the BAR against private Americans, such as by damaging or delegitimizing them, tying up their time and resources, seizing their children, homes, businesses, private property and/or imprisoning them under **color of law** and, includes enforcing mandatory vaccinations or forced used of medical procedures under color of law. The term is a portmanteau of the words law and warfare.

designed solely to impair and impede the constitutional Duties grated to President Trump, upon being sworn into his office, needed to fulfill his promise to the American Body Sovereign, i.e., to "**drain the swamp**".

In California alone there are more than 225,000 constitutionally banned, private, foreign Crown guild-franchised BAR agents [Crown franchisees] currently operating in California under the pretense that they are "officers of the court" when not one of them can produce even the de facto STATE OF CALIFORNIA government-required statutory "license" to practice law in California [Calif. Business and Professions Code, Sections 6-67 and 6-68(a)]. Every so-called "COURT" case being moved through California "COURTS" for decades, as evidenced on the face of the record of any case, is an example of and provides un-rebuttable evidence that an ongoing **Mixed War₃** is being conducted against the American people living within the territorial Boundaries of the republic state of California to deny and infringe upon constitutionally-protected inalienable Rights, under color of law, through the use of **simulated legal process** see Calif. Government Code, Sec 60876

As President Trump is keenly aware, what used to be actual news and relatively unbiased commentary, now constitutes as psychological warfare propaganda operations, which are being fed to the American People "24/7" by the so-called Mainstream Media (MSM) outlets operating in America and worldwide; while the California- based C.E.O.'s of **Big Tech** are undoubtedly responsible for aiding and abetting the shills and charlatans of **Big Pharma** and **Big Medicine** in committing **medical malfeasance** and **malpractice** by censoring frontline medical doctors' online videos revealing Covid-19 cures like Hydroxychloroquine with Zinc, Vitamin C, Vitamin D and the steroid Budesonide <https://www.independentsentinel.com/texas-doctor-discusses-what-has-cured-his-cov- patients>

Additionally, other looming atrocities are being exposed by digital soldiers worldwide, such as the HIG finally conceding the dangers of 5G radiation in causing Corona virus in healthy cells, which is being actively suppressed by agents of Big Pharma and the paid shills and charlatans of Big Medicine. The "**fake science**" and "**fake medicine**", which is being presented to Americans by **Dr. Fauci, Dr. Birx, Bill Gates**, et al.; and, championed by the democrat leadership of every "blue state", including the STATE OF CALIFORNIA, and their partners in the CIA Mockingbird MSM, includes but is not limited to vaccines not proven to be effective or safe, use of cloth face masks to prevent the spread of any virus, and "**social distancing**", which has its roots in psychological torture techniques developed by the CIA with input from military doctors in the 1950's.

The annexed Stipulation to Material Facts included herewith, and supporting documents will provide further evidence to you and President Trump to the degree the constitutionally protected natural and inalienable Rights of the Americans living in California are being denied **under color of law** by private actors pretending to be de jure officers and employees of city, county and state government.

3 Mixed War occurs whenever the government of a nation is an enemy of, and at war against its own People. The most insidious and perfidious type of mixed war exists when the agents of government act against the People under the guise of protecting the People's rights and upholding the nation's most cherished values and ideals. In such case, the so-called government officials are "wolves in sheep's clothing," occupying positions of prestige and power, with the support of the People, while treasonously betraying that trust.

Based on the requirements of 18 U.S.C Sections 4 and 2382 I am hereby informing you and President Trump of multiple ongoing federal felonies being committed against the American people living in California; and, I am lawfully requesting President Trump's assistance, as Commander-In-Chief [10 U.S.C Sec. 253], in initiating a full scale investigation and arrest of the numerous actors, involved in ongoing RICO criminal enterprises in all the 58 counties of the state of California; including but not limited to conspiracy, fraud, mail fraud, wire fraud, band fraud, extortion, kidnapping, murder, human trafficking, massive government corruption at all levels (state, county and city) [see: Executive Order 13818 dated December 20, A.D. 2017], counterfeiting, forgery, theft and financial terrorism under color of law, color of office and color of authority. The parties involved include, but are not limited to, criminal actors in the "STATE BAR OF CALIFORNIA", California law enforcement agencies statewide, including numbers city police departments, county sheriff departments and the California Highway Patrol; County Recorders' Offices, County Clerks' Offices, the majority of the judiciary in California federal and state courts, including the fake "SUPERIOR COURTS".

To Recap –

Under this MANDATE, on behalf of myself and at least 721 other citizens and groups of citizens, having all given public testimony already against **BAD FOREIGN AND DOMESTIC ACTORS**, as outlined above and below, where such **BAD FOREIGN AND DOMESTIC ACTORS** have been committing already their own extensive well-documented acts of TREASON against the CITIZENS OF THE STATE OF CALIFORNIA, and THE UNITED STATES OF AMERICA, WE THE PEOPLE REQUIRE YOUR IMMEDIATE ACTION AGAINST SAME **BAD FOREIGN ACTORS of ARREST AND CRIMINAL PROCESSING TO THE FULLEST EXTENT OF YOUR POWER AND AUTHORITY. Held securely in multiple locations, is the nearly decade old database of not less than 8,461 incidents of crimes against humanity by such BAD FOREIGN AND DOMESTIC ACTORS available upon request including numerous sworn affidavits by witnesses and participants for and against.**
